Matt:

Our office received your raffle request yesterday via fax. We have a few questions regarding your letter. Would this raffle fall under the family support group as a non-profit? Below is a description of who may state intent for a statewide raffle in the state.

Bingo, as defined in SDCL 22-25-23 or lottery as defined in SDCL 22-25-24 may not be construed as gambling or as a lottery within the meaning of SDCL 22-25-1, if: (1) The bingo game or lottery is conducted by a bona fide congressionally chartered veterans' organization; a religious, charitable, educational, or fraternal organization; a local civic or service club; a political party; a volunteer fire department; or a political action committee or political committee on behalf of any candidate for a political office which exists under the laws of the State of South Dakota.

If your group is a non-profit, statute requires that you send your request to our office 30 days in advance before you may start selling raffle tickets. You state in your letter that you will start selling tickets on September 10th. Unfortunately, your letter was not in our office until 08/13/18 so you would need to wait until September 12th to start selling tickets.

Please let us know as soon as you can whether your group falls under a non-profit status.

Thank you,
Kayla
